The Paragon Award was created to recognize individuals who have made a significant and lasting contribution to both Hospitality Financial and Technology Professionals (HFTP), and the hospitality industry. The award is presented annually at the HFTP Annual Convention.

To be selected for the Paragon Award, an individual must first be nominated by someone who has worked with or is familiar with the nominated individual's work in HFTP over a significant period of time. That nomination must then be seconded and accompanied by three supporting letters of recommendation. No more than two of the nominators/recommendation writers can be from the same employer, association other than HFTP, educational institution, etc. The primary nominator will be responsible for finding a second and compiling the letters of recommendation.

Nominations and letters of recommendation must be received by the HFTP international office by August 10, 2018. A distinguished committee of HFTP members and officers will then review all the nominations and select the recipient.
