Let’s Take a Test Drive

Before you access any of the review material, take this 25-question Practice Exam. The 4-hour CHAE Exam consists of 200 questions. This Practice Exam will be timed at the same rate, so you will have 60 minutes to complete. You can take this Practice Exam as many times as you would like, as the exam is designed to familiarize you with the testing environment and give you the opportunity to practice.
